Storage Facility Affidavit

To all Storage Facilities:

Our certification agency, Oregon Tilth allows products to pass through uncertified consolidation operations/storage facilities provided that the facilities sign this affidavit agreeing to handle the products according to the following procedures:

1. Understand and comply with OTCO standards for handling organic products.
2. Do not open containers or organic product while they are in your company's care.
3. Do not mix or combine organic product with other products.
4. Do not compromise the organic integrity of the product while it is in your company's custody.
5. Ensure that no contamination occurs from exposure to pest management or cleaning materials.

For additional information on Oregon Tilth Standards, please visit the website at www.tilth.org.

To verify that you will comply with the above requirements please sign this sheet and fax a copy to Oregon Tilth at (503) 378-0809 and to Cooperative Coffees at (229) 924-6250. Thank you.
